

START YOUR YEAR OFF RIGHT

LET'S GET BETTER TOGETHER !!!

*Are you willing to release the pain of your past and/or the comfort of your present to level up and become the **BETTER** person that God has in mind?*

Since the beginning of Empowerment Church, we have set our hearts to be a people of prayer. We believe in praying first. In every situation, whether good or bad, we try to pray before we act. Prayer should never be our last resort, but it should be our first response. It doesn't matter if you're shy or if you don't know the right words to say; what matters is the heart behind your prayer. It's much more than only talking at God, it is connecting your heart to His and talking with God.

EMPOWERMENT CHURCH FAST & PRAYER GUIDE

CONGRATULATIONS!!!

Congratulations on your willingness and commitment to join Empowerment Church for this 7 day prayer and fasting journey!

Whenever a period of fasting is recorded in Scripture, it is followed by a season of growth and blessing. Understanding the necessity of prayer is not enough. In order for it to become a part of our life, it needs to become something we look forward to doing. I'm convinced most people don't pray because they have never been taught how to pray. However, together over these next 7 days we will learn and grow BETTER together. We look forward with anticipation to all of the great things God is going to do in the life of our church and in your life as well in 2020 and beyond.

WHAT IS FASTING?

Fasting is an intentional denial rooted in a quest to get closer to God. Fasting is physical sacrifice for spiritual increase. Fasting is a commitment to deny our physical flesh, to increase our spiritual effectiveness. Fasting takes prayerful discipline! Mark 9:29, Daniel 9:3

WHAT IS PRAYER?

Prayer is our intentional reach for God's direct and specific involvement in our life. Prayer is communication with God, giving thanks, requests and desires, knowing He can and will respond through thoughts, ideas, situations, people but, primarily His word. Read: James 5:16, Mark 1:35

WHAT IS MEDITATION?

Meditation is the act of giving our time or attention to a thought, concept, situation or person. Meditate means to consider. Read: Joshua 1:8

WORDS OF ADVICE

Prayer and Study are critically important. Fasting isn't about the denial of food, drink or other entertainments—but about changing the way you see things and believing that God is enough for you. When you have the urge to eat, drink, or use social media, you can turn instead to the Word. Go to God in prayer and thru reading His word to find what you're looking for. Fasting is a time of consecration from the things of the world and turning to the things of God.

First, fasting is sacrificing something in order to focus our attention and increase our appetite for God. Fasting isn't about what you lose but rather what you gain. It allows you to improve your communication with God through prayer. As your communication improves your relationship with God is strengthened. Thus, to effectively communicate with God you must have a strong prayer life.

It is critical to increase your prayer time during a fast. Pray as often as possible, or do as the Scripture says and pray without ceasing. Carry yourself in a posture of prayer not only to ask of God, but to hear from Him as well. Set aside certain specific times for prayer and journaling.

Second, other powerful way to develop a closer relationship with God is to study the scriptures. The Scripture is the very Word of God. To know God, you have to know His Word. In addition to prayer, during a fast, you should increase your time of studying His Word.

Third, listen to bible teaching messages while you're driving, at work, or at home to help you stay focused on God's Word. Try to saturate your atmosphere with the Word of God.

Fourth, stay hydrated. 20-30% of our daily water intake comes from food, so it's important to increase your water intake to approx. 2-3 liters a day. Tea and flavored waters are okay but do not make these your primary source. Broth is also good during a fast as its rich with electrolytes.

CLARIFYING YOUR PERSONAL GOALS

(You can still eat whatever you like- within reason).
